EVENING

6:00 2 3 CBS NEWS SPECIAL
Special: "Echoes of 'The Guns of Autumn'," a follow-up to the CBS News documentary about hunting that generated controversy even before its recent telecast. This report, still being edited at press time, is scheduled to include complaints by hunters that "The Guns of Autumn" contains scenes—like the shooting of game on commercial preserves—that are not representative of the sport as a whole. Among those heard defending the documentary's accuracy is its writer-producer Irv Drasnin. (60 min.)
[Pre-empts regular programming.]
